Support of Increase of Number of Students by 4
Child Care Center on 5128 Hazeltine Ave.

To Whom It May Concern:

I am writing on behalf of the Exploring Minds Montessori located on 5128 Hazeltine Ave. My wife and I live in the neighborhood and pass by it on a daily basis. The school provides a wonderful place for young children within our community to learn and grow. We fully support the increase of 4 students, as it will be beneficial for families in the community looking for childcare.

It has come to our attention that there are some concerns about traffic in the area, particularly as it pertains to pick ups and drop offs. My wife and I have not noticed any significant congestion on the street corner as a result of the school itself. If there is an opportunity in a public forum, we are more than happy to vocalize our thoughts regarding the issue.

Dear Zoning Commissioner,

My name is Guy Starkman and I'm writing this letter regarding Case Number: ZA-2013-2186-CU-ZV-PA1. I've lived and worked in the valley my entire life, I own Jerry's Deli. My wife and four children, (our fifth on the way) live in Studio City very close to Sherman Oaks. I'm in strong support of increasing The Childcare Center on 5128 Hazeltine Ave class size by 4 students. The children that come out of this preschool excel not just academically, but socially as well. The elementary schools in the area are always delighted to accept the children that come out of this school knowing what a joy they will be to continue their education with them. I truly believe you will be doing the entire community a service by allowing 4 extra children to join the class size.

Sincerely,
