To Whom It May Concern:

This letter is in support of the Exploring Minds Montessori Preschool and its owner and director, Doha Zohbi. In our community of Valley Glen, the school is a welcome and model business.

Besides the stellar programming at the school, Doha has always been generous in support of our association's mission. In particular, she has been involved with our Adopt-A-Family holiday meal program.

Valley Glen is very earnest about supporting its schools. We could not be prouder of stellar programming at the school and the work that Doha and her staff do educating beautiful children.

We look forward to continued partnering with the Montessori School for the betterment of Valley Glen and its residents.
