**To Whom It May Concern,**

**I would like to introduce myself – I am the representative of Bet Avraham Synagogue and want to inform you that the Atid Center has now become part of our neighborhood community. Our synagogue warmly welcomes them.**

**Atid Center is located at 6037 Fallbrook Ave., Woodland Hills. Osnat and Mali are co-owners of this school and I will be pleased to personally introduce myself to them as soon as possible.**

**Atid Center is an Israeli/American Jewish Pre-school. It is extremely important for our community that this school be part of it.**

**Atid Center will provide Israeli/American/Jewish children a place to learn the roots of their family traditions, values, English and Hebrew language skills and so much more.**

**Our synagogue looks forward to having a long and wonderful relationship with Atid Center and wish them the very best. I welcome them for becoming part of our West Valley community.**

**Sincerely Yours,**
